EXPERIENCE

DATA AND REPORTING INTERN

Aspen Journalism | **May 2020 - present**

Data gathering and analysis on COVID-19. Reporting on the pandemic and the environment. Requested public records.

RESEARCHER AND REPORTER/STRINGER

The New York Times | **March 2020 - May 2020**

- The COVID-19 Project

Reported on California's response to the COVID-19 pandemic as part of a collaboration between the NYT and Berkeley Journalism.

Conducted data collection and reporting on Santa Barbara County.

RESEARCHER AND REPORTER

Investigative Reporting Program, Berkeley | **2019 - 2020**

- The California Corruption Project

Found stories on police misconduct through police records under the supervision of Pulitzer Prize-winning investigative reporter Tom Peele.

- Aging Badly

Researched clips, requested public records, and found stories on assisted living facilities under the supervision of NYT journalist Geeta Anand.

FREELANCE JOURNALIST

Oakland North, California Health Report | **2019 - 2020**

Report and write health stories for hyperlocal news outlets in SF Bay Area. Published stories on technology and mental health.

RESEARCH AND SOCIAL MEDIA INTERN

The Years Project, NYC | **September 2018 - December 2018**

Researched and wrote a video script on climate change's effect on mental health. Reported and edited environmental stories on social media, including Instagram and Twitter. Fact-checked video scripts.
